The goods and services shown herein are those we can provide to our customers.

YOUR FINANCIAL CHOICES

We want to take this opportunity to thank you for the trust and confidence you have placed in us.

The Scott family of The Bersticker-Scott Funeral Home is a locally-owned family business. We do everything possible to keep expenses down while offering the highest quality funeral and cremation services available in the Toledo Metropolitan area. When comparing facilities, staff, and services, we believe that you will find that we offer the best value available in the region.

You may choose only the items you desire. However, any funeral arrangements you select will include our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

In order to help us in maintaining our high standards of care, all funeral and cremation services are treated as cash transactions. We are not in a position to provide financing and your account is due and payable on the day that arrangements are made. In the event that the decedent's funds are not immediately available then a member of the family will need to take care of payment and file their own claim for reimbursement with the estate.

In order to provide you with financial flexibility we offer all our families the following payment options to satisfy the financial obligations prior to services:

- Prepaid Funeral Arrangement
- Cash
- Check or Cashier Check
- Insurance Assignments
(On verified assignable Policies subject to a 4.90% processing fee
Forethought Capital Funding)
- Credit & Debit Cards
(All major credit cards subject to a 3% processing fee)

Due to the complexity and time involved, we are unable to accept payments from estates.

Our Guarantee to You: Prior to the service, we will match any total price for identical services and merchandise on a current published General Price List by any local funeral home. The same selected services and merchandise must be listed on our own General Price List. If you find such a lower price, we will provide the identical services and merchandise, match their price and give you an additional 10% of the difference for bringing the price comparison to our attention.
